**“The will to win is not nearly so important as the will to prepare to win.”**

Every year Akshara Vaagdevi International School organises Cultural Annual Day, this year we have taken an initiative to develop sports quotient in our students, through regular physical activity and to improve the levels of fitness. To enhance the self-esteem and confidence in students through sports we are organising Annual Sports Day on 4<sup>th</sup> January 2020, for the first time.

On regular basis we are conducting sports events for students and conducting Preliminary rounds, both interhouse as well as individual games, the same we are updating through Never skip and at our social media site. The finals of these events will be played on sports day. You are requested to encourage your child to participate in the sports day event.

Students are requested to pay Rs 1100 towards Annual Sports day on or before 9<sup>th</sup> December to their respective class teacher and an acknowledgement of the same would be mentioned in students Almanac. The sports dress will be given away to the students, the props used by the students on the sports day will be retained by the school.

**Block your date: 4<sup>th</sup> January 2020. Timings: 1:30pm -6:00pm**

Get ready for a fun filled day with our students who are going to exhibit their competitive spirit in a healthy manner.
