DECEMBER NEWSLETTER

PRINCIPAL MESSAGE

We at Akshara Vaagdevi International School believe in a holistic development of our students. Each student is a unique individual with special gifts and talents – we hope that with motivation, encouragement and hard work that all our students will discover their individual talents. Sports are one of the most happening thrills in a student's life. It teaches them many qualities like dedication, and leadership, discipline etc. It's a well known fact that any form of Physical exercise is good not only for one's body but their spirit as well. That is the reason, this year we have come up with La Sante- Annual Sports day.

AI (ARTIFICIAL INTELLIGENCE) WORKSHOP BY DIGITAL LYNC TECHNOLOGIES FOR STUDENTS OF GRADE VII & VIII ON 6/12/19

Artificial intelligence (AI) is the simulation of human intelligence processes by machines, especially computer systems. These processes include learning (the acquisition of information and rules for using the information), reasoning (using rules to reach approximate or definite conclusions) and self-correction. Particular applications of AI include expert systems, speech recognition and machine vision. In the workshop our students developed an AI project Home automation using Google Assistance (by giving voice commands through Google assistance home appliances (fan, light) on or off).
