Dear Parents,
Greetings

As you all are aware with management support, the school reopened after summer vacation and started with online classes for Nursery to X as per the plan. Your support and cooperation in last week was highly appreciated for the smooth running of the classes, in the benefit of the child and to minimize the academic loss. We are committed to integrate online education into as one of our institutional mission.

We are using **Cisco Webex** teaching tool/app. for online classes. We have inducted all the parents through Open house in last week of May as part of readiness. Please make sure the following are available and handy to the students. To use Cisco Webex tool/App which is apt interface to get connected and continue the sessions, you need,

- The suitable broadband connection for uninterrupted running of the classes.
- The required gadgets like laptop, desk top, phone, head phones or ear phones etc.

Usage Reference of Cisco Webex-

- In Cisco Webex Session, while the Host is sharing the screen, it takes time to manoeuvre to the setting to admit students into class. Don't panic, be patient, it takes few minutes to let in.
- In Cisco Webex participants can unmute without host permission.
- If connectivity is poor, links will take time to open. Technical team and Management are exploring for better options.

In this pandemic situation, CBSE itself is giving a lot of Scope for Students by promoting without Assessing. We need to give settlement time to our children; they shouldn't be pressured. Let them take time to come out on their own caliber until then don't impose, warmly suggest, don't be Judgemental - kindly support us. Education starts from Home/Parents, school, Society- give them an opportunity to learn and to understand. Let the children learn to do, learn to be, learn to apply.

We balanced scholastic and Co scholastic in the Virtual Time table. Few parents are requesting to reduce the time. For the Holistic Development of Students, every area has its own importance. Based on your day to day challenges You/Parent as an individual can take an option of not attending that class.

WhatsApp group is created to connect with Teaching/Teachers/School better. Let's not dilute the purpose. Notification will be muted immediately after the class. If you intend to share any concern or give Feedback, please speak with the Class Teacher between 3.00pm to 4.00pm.

If a Teacher is facing any technical concern or Health issue, we substitute the class.

As it is a total new experience to the students also at physical and emotional level please help them build resilience for climate change. Provide them

- A designated area where the students can comfortably sit during the sessions.
- A suitable exercise regime to cope with the changing environment.

Assignments and assessments

- The students need to submit their assignments regularly.
- The online assessments being an ongoing process, the students must be well prepared to face the same. (Shortly will induct, regarding the platform for submission of assignment and assessment)

Regularity

- The students need to attend the classes regularly so that they don't miss out on any content.
- They have to practice the worksheets and submit the same.
- They have to explore more about the subjects by utilizing the links provided by the teachers.

Note to Students:

Do's - Early to bed early to rise makes the men Healthy, wealth and wise.

Get up early have your Time Table for the day, starting from your wake up time till Bedtime, should include Exercises, Text books reading time, home task, Book Review/Newspaper time, Play/ family time, supporting your parents, arranging your own room/study desk, last but not and least work on your phobia/ weakness, self-discipline, have 3 goals in life-short term, Medium term and long term Goal, make a difference every single day to reach your goal. Make the change inevitable and be Happy and make everyone Happy.

Don'ts - As you are screening for 3 -4 hour for online sessions, avoid watching games, chatting with friends (chat with Teacher/Parents /Friends during breaks in virtual classes).

Covid-19 is showing us that when humanity is united in a common cause, rapid changes, rather phenomenal changes for the better, are possible. We sincerely hope that your child gets immersed in the process and becomes more innovative and explorative.

Let us jointly create a world of joyful learning for the young citizens of this glorious nation.

Warm wishes
