Dear parents,

Greetings from **Akshara Vaagdevi International School**.

We, at Pallavi Group of Schools, have joined hands with Isha foundation's noble mission by Sadhguru, " Save the Soil". As it is rightly said, the soil of the world will be eroded by up to 40 percent by 2045. So, for sustainable development of the future generations, we need to join hands and create a constructive voice for our leaders to hear our pleas.

Join hands with us as we embark on this voluntary service. Let us get together and write **letters, poems, drawings or songs to our prime minister and post it in the link attached**. Our aim is to share 10 million such messages. Our request is to share this message with friends and family members to promote this mission. Kindly cooperate and let's start this with immediate effect. All participants will be getting an e-badge from the Isha foundation.

Here is the link to upload the student's letters:

Thank you and regards,
