Circular 21/2022-23 Date: 04.08.2022 Dear Parents,  
Greetings!!

It's been regular practice in AVIS. We share monthly log sheets which include Scholastic ( Academics ) and Co-scholastic ( co- curricular Activities ) details which we have planned to teach in that particular month. As per that we conduct Class test, Subject enrichment Activities ( SEA) and events aligned with school Almanac.

We changed the pattern of test taking reviews and Feedback from Parents during the Colloquium which was scheduled on 24.07.22 and PTM - parents teachers meeting on 30.07.22. We appreciate 68 % of parents who attended PTM. We have set our SMART goals to achieve this with your support and cooperation hoping that you will anticipate.

We would like to check students understanding regularly to make them confident in Listening , Speaking, Reading and Writing : LSRW
