

Cir. 28A/2022-23

Date: 07.10.2022

“Don't expect the results without the work. The only place where success comes before work is in the dictionary. Work is the key to success, and hard work can help you accomplish anything.”

**Dear Parents/Students,
Greetings!!**

As per the circular -28 of Term-1, reviewing the results, we felt students need to be given another chance to write Improvement and re- exams based on the score (as we could see effects of Pandemic in their learning process and planning). As informed, the re-exam/improvement exam will be scheduled from 10th to 15th Oct'22 in the afternoon session. The timetable for the same is as follows.

RE-EXAM / IMPROVEMENT (for GRADE - VIII to X) DATE	Subjects
10-10-22	IT
11-10-22	MATH
12-10-22	SL
13-10-22	SCIENCE
14-10-22	SOCIAL

Tips to prepare and perform well:

- You should prepare a proper schedule of studies and follow it rigidly and sincerely.
- You should also make a strategy that covers all the aspects associated with the examination.
- Your strategic planning should be made as a perfect blend of learning and revising the syllabus thoroughly.

Warm Wishes,

Mrs. Vanaja
