PRINCIPAL'S MESSAGE

**“PATRIOTISM IS NOT SHORT, FRENZIED
OUTBURSTS OF EMOTION, BUT THE
TRANQUIL AND STEADY
DEDICATION OF A LIFETIME.”**

Our ancestors had to experience injustice and had to live as substandard citizens in the country they should have been able to call theirs proudly. They did what they must to ensure that their children could live free from oppression. We must never forget their sacrifice. It is in remembrance of this and much more that Independence day is celebrated in India.

The role of education in this struggle is of utmost importance. Eminent Indian leaders like Dadabhai Naoroji, Surendra Nath Banerjee, M.G Ranade, K T Telang, and others studied in prestigious institutions in London. They were awed by the democratic ideas they had learnt about. After learning this, they realized what had happened to the social structure of India. They started questioning the British government on their right to rule over India. These leaders emphasized the 'Economic Impact of British Rule' and concluded that the British were draining India's wealth through taxes and other means. Without education, this might not have been possible for Indian leaders to raise their voices against Britain. Education is what provided the weapons, ammo and ideology to fight against the unfair and unjust British rule of India. It is this message that we've tried to portray to our students.

The core principles of democracy, secularism, gender equality and socio-economic equity have become the beacon for our journey forward. Let us then work together towards raising ethical and happy children and send them out into the world as the flag bearers of a brighter tomorrow, citizens of the world, and our nation's pride. Looking forward to a strong bond of trust, affection, love, and respect between all of us.

**“Education is not the learning of facts,
but the training of the mind to think”**

Akshara Vaagdevi International had organized ‘Ignited Minds’- science exhibition on the school premises on 30th July 2022. The main objectives of organizing the Science Exhibition were to promote interest in Science and Technology among the younger generation, encourage scientific and technological creativity among students and subsequently inculcating a sense of pride in their talent and popularizing Science and technology among the crowd and creating an awareness regarding its impact on the socio-economic and sustainable development of the country. The exhibits were judged by our guests for the even Ms. Ragasudha, Ms. Pallavi, Ms. Santoshi, Mr. K. Sai Baba and the parents of our young inventors. The students also gave a beautiful and detailed explanation of their models to all the guests. They were even questioned about the scientific concepts and theories behind their project. Various sustainable topics and ideas were picked up and demonstrated visually. All the guests praised the efforts of the students and congratulated them for putting their best foot forward. The exhibition succeeded in optimizing the latent talent of our young scientists and the energy, enthusiasm and perseverance shown by the students were the highlights of the event.

"Art is the stored honey of the human soul."

The manifestation of Young thoughts are invited to participate in the various events organized under "AVIRBHAV Art & Culture" recommended by NEP 2020 as a cross-curricular pedagogical approach as the basis for learning of creativity to experience the thoughts of the youth and how they would contribute their Art.

Every Child is an Artist " said the famous painter Pablo Picasso and happiness definitely comes from dreaming, creating and expressing one's thoughts by drawing and painting.

Akshara Vaagdevi International School has been constantly trying to remove the silos between various disciplines and adopting a holistic approach in school curriculum by empowering its teachers and students.

Our School conducted Inter House Art Competition - "AVIRBHAV 2.0- Emergence of art 2022-23" from Grades 1 to 10 with a vision to let students an extravaganza for the little painters and the painting pursuits like Thumbprint painting, Warli pot painting, Jute thread craft, Indian folk art, Lipton art ect blended with the perceptions displayed on the painting sheet a future India full of infinite possibilities found an utterance. The competition was judged by Art teachers Ms.Sarita and Ms.Mounica from Pallavi Model School, Saroornagar.

The students participated in the competition enthusiastically and created many delightful paintings on the given topics. It was wonderful to watch how the young artists creatively portrayed such critical issues with insightful illustrations.

"The Goal is the ending of the Process, The Process is the beginning of the Goal."

Every student aspired to be someone or another in picking the best for them to choose further for their career option. While a mellow measure of pressure is valuable and goes about as an inspiration for understudies, a lot of pressure can meddle with their everyday lives.

School is the best place to start giving counseling for class 10 students because it is the base for every person's mind-set. One of the problems that students face in schools is to opt for streams. It is very difficult for a sixteen-year-old to decide what subjects to choose and what are their interests and weaknesses. There are various reasons which will prove that counseling is very important for students

Akshara Vaagdevi International school has invited Mr Kiran Kameswar Anivilla, an experienced Student counselor, with Twenty eight years of experience in the EMS, IT, Training and Education industries for counseling Grades 9 and 10 to get to know about their weaknesses and the things they need to work at. Students were inspired by the guidance and developed a confident approach.

Our Principal Ms Vanaja is keen on Career counseling and wants to be knowledgeable of appropriate school counseling duties and allow the school counselor to implement school counseling programs and interventions. The programme ended with a Vote of thanks by our Head Boy.

Yellow Day celebration by Pre-Primary block

“In the world of safe hues, like black, red and white, yellow shouts: ‘Look at me. I’m happy!’” – Joy Sewing.

From the yellow sunshine that glistens up the sky, to the sunflowers that brighten up the field, yellow can be associated with all the positivity, brightness and joy. The color yellow also symbolizes long lasting friendships, loyalty and courage. Keeping this in mind, the pre primary wing of Akshara International School has not missed the opportunity to celebrate Yellow Day along with Friendship day to cherish friendship and spread lots of bundles of joy! So, on 8 August, the tiny tots of nursery, PP1 and PP2 celebrated friendship day with lots of yellow. The minions dressed up in different shade. of yellow looking very cute and stylish. They wished their teachers and friends a very happy friendship day and proceeded to celebrate the day with vibrant yellow activities. The teachers conducted an activity for the toddlers where they had to make emojis and emoticons of their choice with help and guidance. The kids nurtured drawing and observational skills along with an increase in mental activity. The students enjoyed the activity and experience a lot. Their excitement and joy could be measured by the huge smiles plastered on their vibrant little faces. After the activity, The minions had shown off their activity results along with stylish adorable poses! With all this, it can be concluded that the pre-primary wing had succeeded in celebrating a very bright and joyful day, just like the color yellow!

RAKSHA BANDHAN IS THE DAY TO SEEK BLESSINGS FROM GOD FOR YOUR BROTHERS AND SISTERS.

On 10 August Pre primary students Celebrated Rakshabandhan Festival. The festival of Raksha Bandhan is celebrated annually to honor this bond. On this day, sisters pray for their brothers' long life when they tie a rakhi on their wrists on this day. The brothers vow to protect their sisters for the rest of their lives in exchange. Pre primary students tie the Rakhi to their peers and know the importance of the Rakhi and brother sister relationship.

**DON'T JUST RELISH FREEDOM,
REMEMBER ITS SACRIFICES TOO.**

AVIS Pre-primary students Celebrated Azadi ka Mahotsav. All students dressed up as our freedom fighters to show how the freedom fighters fought for our country India. On 11 August the tiny tots celebrate 75years of independence by forming the number 75 representing their School name AVIS.

Like the history of the freedom movement, the journey of 75 years after independence is a reflection of the hard work, innovation, enterprise of ordinary Indians. Whether in the country or abroad, we Indians have proved ourselves with our hard work. We are proud of our Constitution. We are proud of our democratic traditions. The mother of democracy, India is still moving forward by strengthening democracy. India, rich in knowledge and science, is leaving its mark from Mars to the moon.

India marking its 75th year of Independence, the Independence celebrations at Akshara Vaagdevi International School(AVIS) on 15 August had been even more special. Adhering to the 'Har Ghar Tiranga' campaign under the aegis of Azadi ka Amrit Mahotsav, AVIS encouraged students to hoist the national flag at their home. AVIS invited all the parents and grandparents with students to celebrate the 75th Independence Day. The National Flag was hoisted by the founder and Vice Chairman Shri. P. L. Srinivas along with Principal Ms. G. Vanaja, Vice Principal Ms. Rachana together with grandparents of students of AVIS followed by the National Anthem.

ART IS THE FUTURE OF CREATIVITY

KRISHNA'S BLISSFUL TUNES FILL YOUR LIFE WITH BLISS AND JOY.

Janmashtami is a Hindu festival to celebrate the birth of Lord Krishna which is celebrated in August every year. Krishna is considered the most powerful among all of the incarnations of lord Vishnu.

The pre-schoolers of Akshara Vaagdevi International School had celebrated Janmashtami very vibrantly on 19 August.

The little wits were dressed in the attire of Krishna and Gopikaas. They all looked very adorable in their traditional get up. They were made familiar with the life story of Lord Krishna, his birth, strength and his love for Makkhan or butter! Many children impressively already had their insights about Lord Krishna . They were really fond of him because of the different TV shows that are broadcasted about him and were so eager to know more! It is important to celebrate such festivals with kids so that they have a cultural insight and develop traditional values. It also helps them in understanding our heritage and being respectful towards it. Other than that, festivals bring people together and the act of celebration brings a lot of joy and togetherness, creating a sense of belonging.

“Oratory is the power to talk people out of their sober and natural opinions.”

As the modern world steps on the brink of the 4th industrial revolution, there's an incessant need to prepare students for the challenges of an uncertain future. 21st-century skill-building is an important step towards future-readiness and preparing students for healthy competition in the professional space. And interschool & intra-school activities provide that platform for students to exercise their skills. Akshara Vaagdevi International School believes in creating and encouraging opportunities for skill development, equal participation, free-thinking, and creative expression.

On 27 August, the students of Akshara Vaagdevi International School got the opportunity to exhibit their skills at an inter-school event, organized by Pallavi Model School Telangana. The event was conceptualized with the aim to create a common platform for students to exhibit their skills & find their uniqueness.

Students of the Akshara took this opportunity and participated from Grade VI Navika and Abhinav from Grade VIII in Elocution in Off the cuff. And showcased their communication & oratory skills in this speaking-based activity. Miss Dhatrishi from Grade X participated in the Extempore activity that gave her an opportunity to express creatively and uniquely through words and oration.

"The ability to conquer oneself is no doubt the most precious of all things that sports bestows."

"Overpower. Overtake. Overcome."
