Dear Parents,

Greetings from Akshara Vaagdevi International School!

Akshara Vaagdevi International School has always focused on providing quality education. The National Education Policy 2020 Education Policy lays particular emphasis on the development of the creative potential of each individual. It is based on the principle that education must develop not only cognitive capacities - both the 'foundational capacities' of literacy and numeracy and 'higher-order' cognitive capacities, such as critical thinking and problem-solving – but also social, ethical, and emotional capacities and dispositions. Keeping this in mind, AVIS encourages students to participate in different **Olympiads** and extracurricular activities **so that they gain additional knowledge and early exposure to competition and learning which also helps them to learn things in a confident manner.**

Appearing in Olympiad exams from a young age helps in sharpening the mind. We request students to participate in the upcoming **Silver Zone Olympiads to be conducted for Grades I to X.** Silver Zone Foundation is a veteran of the International Education Olympiads with more than a Decade of Experience, Excellence and Popularity.

SUBJECTS – In the current academic year, registration is open for Math, Science, English, GK, Computer, STEM (Science, Technology, Engineering, and Mathematics) Hindi, Social Studies, and Reasoning subjects only.

Kindly find all the details regarding the registration fee for the particular class and the subject (Event Name). The **last date for registration is 25.08.2022.** Kindly pay the fees and get your child registered. Please pay the fees to the in charge teacher - Mr. Manoj (Math teacher, AVIS).
