Date: 22.03.2025

Dear Parents,
Greetings!

"The future belongs to those who innovate. Robotics is not just about building machines; it's about shaping the world."

Subject: Robotics Inter House Exhibition for Grades: V to IX

We are pleased to announce the Robotics Inter House Exhibition for students of Grades V to IX, scheduled to take place on March 29th, 2025. This exhibition aims to promote creativity, innovation, and technical skills in the field of robotics.

Students will have the opportunity to showcase their projects, demonstrating their understanding of robotics and automation. Each house will compete by presenting innovative models and ideas.

"Innovate, Create, Automate – The Power of Robotics!"

Event Details:

- Date: March 29th, 2025
- Participants: Students from Grades V to IX

We encourage all students to participate actively and make this event a grand success.

Parents and guardians are also invited to witness the ingenuity and efforts of our young innovators.

Best Regards

Ms. Vanaja Principal
