**Dear Parents,
Greetings!**

Reg. Revised TT of Grade IX Annual Examinations

As shared earlier and in reference to the Revised Time Table, we reiterate that the Grade IX Annual Examinations mark a significant phase in every student's academic journey. These examinations reflect not only subject knowledge but also preparation, discipline, perseverance, and self-belief.

Students are expected to remain focused, organised, and consistent in their preparation, managing time wisely while maintaining a healthy routine of study and rest.

Parents are requested to continue providing a calm, supportive, and encouraging home environment, enabling children to prepare confidently and perform to the best of their abilities.

With sustained effort from students and collective support from both school and home, we are confident that every child will meet this milestone successfully.
