Date: 19.01.2026

Dear Parents,
Greetings!

As we approach the Annual Examinations, it is a time for reflection, preparation, and perseverance. Exams are not nearly a test of knowledge but an opportunity to demonstrate and showcase dedication, discipline, and determination.

“Discipline beats motivation on tired days.”

Dear students, stay focused and manage your time wisely. Balance your studies with adequate rest and a healthy routine. Remember, consistent efforts and a positive mindset are the keys to success.

Respected parents, your support and encouragement play a crucial role in motivating your children to perform their best. Kindly ensure they have a conducive environment for study and relaxation.

We are confident that with sincere efforts, every child will achieve their potential. Let us work together to make this academic milestone a meaningful and rewarding experience.
