DEAR STUDENTS, STAFF, AND PARENTS.

CELEBRATE THE JOURNEY, PREPARE FOR NEW HEIGHTS

As another meaningful chapter of our academic journey draws to a close, it is time to pause, reflect, and celebrate how far you have come. Each lesson learned, each challenge faced, and each success achieved has shaped you into stronger, wiser individuals. The journey you have undertaken is not measured only by marks and medals, but by the courage to try, the discipline to persist, and the values you have upheld along the way. As you celebrate your achievements, also prepare yourselves for new heights. The future will demand creativity, compassion, resilience, and integrity. Dream boldly, set meaningful goals, and never stop learning. Let curiosity be your guide and hard work your companion. Carry with you the values of respect, honesty, and empathy, for they will illuminate your path wherever you go.

WARM REGARDS,

**MS. VANAJA
PRINCIPAL**

PRINCIPAL’S MESSAGE

“What you become matters more than what you achieve. Each lesson learned, each effort repeated, and each failure faced with resilience builds character. Let your work speak before your words, and let your progress be steady rather than rushed. Great journeys are not defined by speed, but by direction, determination, and the courage to continue.”

“Understanding production helps us value effort behind everyday products.”

Balvatika students participated in an educational field trip to a biscuit factory on 20th Dec providing them with a valuable hands-on learning experience. The visit helped children observe the biscuit-making process, understand basic production steps, and learn the importance of cleanliness, safety, and teamwork in a real-world setting. The trip sparked curiosity and excitement among the young learners, making learning meaningful beyond the classroom. It was a memorable and enriching experience that supported experiential learning and overall development.

"Mathematics is not about quick answers, but about disciplined thinking and persistence."

$$x = \frac{-b \pm \sqrt{b^2 - 4ac}}{2a}$$

"Mathematics Day celebration"

$$\frac{x}{a} + \frac{y}{b} = 1$$

On 22nd December Mathematics Day celebration was organized to highlight the beauty, relevance, and importance of Mathematics in our daily lives, while honoring the legacy of the great mathematician Srinivasa Ramanujan. The programme commenced with a welcome dance, setting an energetic and joyful tone for the celebration. This was followed by a speech on Math Day who spoke confidently about the significance of Mathematics and why this day is celebrated. Adding melody to numbers, a lively Mathematics song was presented creatively expressing mathematical concepts through music. The audience then gained inspiration from a thoughtful speech on Srinivasa Ramanujan highlighting his life, achievements, and contributions to the world of Mathematics. This was followed by an engaging skit on the importance of Mathematics in our daily life, which effectively demonstrated how numbers play a vital role in everyday. The programme continued with Dance symbolizing the rhythm and patterns found in Mathematics. Addressing the gathering Ms Rachana, Vice Principal appreciated the efforts of the students and teachers in making the celebrations meaningful and enjoyable. Through speeches, songs, dances, and skits, you have beautifully shown that Mathematics can be creative, engaging, and fun. Followed by Mr Raghavendra, Math HOD for his inspirational and words of wisdom on learning math in a fun and joyful manner. The day successfully ended with a vote of thanks by Jeswitha Grade VI C

“Sustainable development means meeting today’s needs without harming tomorrow’s hopes.”

On 27th December a special assembly was conducted as part of an awareness initiative on the Sustainable Development Goals (SDGs). The chief guest was

Dr. Monica Nagpal, Ph.D

Lifecoach/Speaker/Podcaster/Therapist Founder Inner Peace Academy| Radicalpause coach|Podcaster|Author|Helping professionals become leaders with my unique RESTART coaching formula|Life Coach|PLR Therapist|Parenting coach along with her team members

The assembly commenced with the lamplighting followed by felicitating the chief guest Dr Monica Nagpal with a shawl and a sapling. Ms Vanaja, Principal addressed the gathering with an understanding and reflection on the Sustainable Development Goals, which are a global call to build a better, more just, and sustainable world. The SDGs remind us that development is not only about progress, but about responsibility—towards people, society, and our planet. The chief guest also addressed the gathering and said that it is truly an honour to be part of this wonderful programme and to witness the enthusiasm and confidence with which the students will present today. She also thanked sincerely the school management for inviting her to be the Chief Guest on this meaningful occasion. The focus on themes such as learning, values, and especially the Sustainable Development Goals, is highly commendable. The SDGs remind us that the future of our world depends on the choices we make today. The students actively participated in presenting various SDGs to parents and the guests. The objective of the presentation was to sensitize families about global goals such as quality education, clean water and sanitation, good health and well-being, gender equality, and environmental sustainability.

Students explained each goal with clarity using panels, and real-life examples. They confidently highlighted the importance of responsible actions at home and in the community to achieve sustainable development. The presentations reflected students’ research skills, creativity, and understanding of global citizenship. Parents appreciated the effort and enthusiasm shown by the students and acknowledged. The event ended successfully with a vote of thanks.

“Nation-building starts with educated, aware, and courageous youth.”

On 28th Dec AVIS conducted Youth Parliament as per CBSE cir, no.51 the National Youth Parliament was organized with the aim of nurturing democratic values, leadership qualities, and civic awareness among students. The programme provided a realistic platform for young minds to understand the functioning of the Indian Parliament and the responsibilities of citizens in a democracy. The Youth Parliament enhanced students' communication skills, critical thinking, and awareness of current affairs. It encouraged teamwork, leadership, and a sense of responsibility towards the nation. The programme successfully instilled respect for democratic institutions and inspired students to become informed, active, and responsible citizens of India.

Overall, the National Youth Parliament was an enriching and enlightening experience that empowered students to voice their opinions constructively and appreciate the spirit of democracy.

"Christmas teaches us the joy of sharing and the value of caring."

Christmas Day Celebrations

Our school celebrated Christmas Day with great joy and enthusiasm through a special assembly. The programme began with a warm welcome to the Chief Guest, who delivered an inspiring speech highlighting the true purpose of Christmas. The speech emphasized values such as love, sharing, kindness, and peace, which the festival teaches us to practice in our daily lives.

Students from Grades VI, VII, and VIII presented a meaningful Nativity skit depicting the birth of Jesus Christ. The skit beautifully conveyed the message of hope and humility and was appreciated by all. Adding energy to the celebration, the Grade VII boys performed a lively dance that filled the hall with festive spirit. The melodious singing of Christmas carols by the students further enhanced the joyful atmosphere.

The special assembly concluded on a happy note, spreading the message of goodwill and togetherness, making the Christmas Day celebrations truly memorable.

"Give thanks not just today, but every day."

As a part of the thanksgiving initiative, we collected essential items such as stationery, soaps, rice, dal, biscuits, and other daily necessities to support orphanage children. The collected items will be distributed by our children at the orphanage on 29th December at Sannihitha Home for Children, Thukaramgate. This helped create an awareness among students to develop empathy and compassion by understanding the needs and challenges of underprivileged children. And also cultivate a sense of social responsibility and gratitude towards the community. Learn the importance of sharing and giving back to society selflessly and strengthen moral values such as kindness, respect, and generosity through practical experience.

“Every new year brings new hope, new goals, and new possibilities.”

On 31st the Balvatika students welcomed the New Year with a delightful Pyjama Party Celebration. Dressed in colourful and cozy pajamas, the children brought their favourite toys, pillows, and food, adding a homely and joyful touch to the day.

The highlight of the celebration was a movie-time session, where students enjoyed watching a night-themed movie along with their friends and teachers.

The day was filled with laughter, sharing, and bonding, giving children a wonderful opportunity to relax and connect with their peers in a joyful setting.

The celebration created happy memories and strengthened friendships, making it a truly special start to the New Year.
