

Circular No: 03/AVIS/26–27

Date: 24/02/2026

Subject: Foundation Programme – Details & Consent Form Submission

**Dear Parents,
Greetings from AVIS.**

This is to inform you about the proposed **Foundation Programme (IIT / JEE / other Competitive Examinations)** aimed at strengthening students in STEM subjects through focused training in Mathematics, Science, Reasoning, and Analytical Ability.

The course fee for the programme is **Rs. 35,000/- per Annum**

Payment Schedule:

- **1st Instalment:** On or before 1st March 2026
- **2nd Instalment:** On or before 5th July 2026

The tentative weekly schedule will include:

- 3 – Mathematics sessions
- 5 – Science sessions
- 2 – Reasoning & Analytical Ability sessions

The classes will be conducted during regular school hours by optimally substituting selected scholastic and co-scholastic periods, without affecting core academic instruction.

If students enrol independently at Aakash Centres after school hours, the typical market fee ranges approximately from ₹75,000 (Grade 6) to ₹1,04,000 (Grade 10) per year. However, through this exclusive school-based collaboration under Pallavi Group of Schools, the programme is being offered at a highly concessional flat fee of ₹35,000 only.

This concessional structure is possible as the School Group is subsidizing a substantial portion of the cost, enabling our students to access premium competitive coaching at an affordable fee — without additional travel or extended evening hours.

To proceed further, we request you to kindly share your consent. A hard copy of the Consent Form is being sent through your ward. Please fill in the details, sign, and return it to the class teacher.

For any further clarification, please feel free to contact the school office.

Regards,

Principal

AVIS
