

AKSHARA VAAGDEVI INTERNATIONALSCHOOL

R.G.R Siddhanthi Education Society | Affiliated to CBSE (Regd. 130323)

IN COLLABORATION WITH  PALLAVI MODEL SCHOOL

Cir: 05 /AVIS/ 26–27AY

Date: 14.03.26

**Dear Parents and New Friends,
Greetings!**

As we open the doors to a brand-new chapter at Akshata Vaagdevi International School, we are thrilled to **welcome** you to a world where curiosity meets opportunity and every day is a chance to shine.

"Learning gives creativity, creativity leads to thinking, thinking provides knowledge, and knowledge makes you great." – Dr. A.P.J. Abdul Kalam

These wise words remind us that learning is a journey, not a destination — a journey we are excited to embark on with you and your child in the academic year 2026–2027.

We are delighted to have you on board and look forward to sharing the magic of discovery, growth, and friendship with your little ones. At AVIS, we nurture confident, curious, and capable young minds through meaningful learning experiences.

Our Key Programmes: Enhanced Parent Connect Programme
Stay in the loop with monthly connect sessions, digital updates, and an open-door policy, because your involvement plays a vital role in your child's progress.

Skill Lab – Koushal Bodh VI to VIII

Hands-on projects, inquiry-based activities, and life-skills sessions designed to encourage creativity, innovation, and critical thinking.

Robotics Programme V to IX

In collaboration with Edunoks, introducing students to the exciting world of robotics, coding, and technology.

Value Education – In collaboration with **Health Address** I to VIII, we will be conducting the "Healthy Children, Happy Children" initiative. As part of this programme, young and experienced doctors will visit the school during the first week of every month for nine months. Along with our regular teachers, they will conduct interactive sessions to guide students on health, hygiene, safety, and overall well-being. The programme will also include periodic medical check-ups for students.

Unleash the Champion in Your Child – Sports & Games Galore!

Our after-school sports programmes provide students with opportunities to stay active, build confidence, and develop teamwork.

- Cricket – Professional coaching for budding players
- Taekwondo – Master self-defence while building discipline
- Skating – Enhancing balance, confidence, and coordination

- Basketball – Developing teamwork and sportsmanship
- Kho Kho – Improving agility and team spirit
- Yoga, Fitness Sessions – Promoting physical and mental well-being
- Indoor Games – *Chess, Carroms, Table Tennis, and Atulya Bharat Games* help in sharpening the mind and improving coordination. These activities support the development of brain synchronisation, concentration, fine motor skills, and gross motor skills, contributing to the overall cognitive and physical growth of students.
- NCC – Instilling discipline, leadership qualities, and a spirit of service to the nation
- Scouts & Guides – Encouraging responsibility, teamwork, and community service
- Inter-School Tournaments – Opportunities for students to compete and showcase their talents

Maintaining Standards Through Continuous Development

At AVIS, we are committed to maintaining high standards in education and student development. To ensure this, our teachers regularly participate in professional training and development programmes, helping them stay updated with modern teaching practices and effective learning strategies.

At the same time, we strongly believe that a strong partnership between parents and the school is essential for the holistic progress of every child. Regular parent orientation sessions and Parent–Teacher Meetings (PTMs) are organised to help parents understand the school’s processes, expectations, and their child’s learning journey.

We sincerely request all parents to attend these PTMs and orientation sessions regularly, as they help ensure that both parents and the school remain aligned and guide students with a common understanding and vision.

If at any point there are concerns, doubts, or gaps in understanding, we encourage parents to meet us directly at the school and clarify their queries. Open communication always helps in resolving concerns effectively.

Our caring for teachers, coordinators, and staff are fully prepared to make this academic year engaging, inspiring, and memorable. We look forward to celebrating your child’s ideas, achievements, and milestones.

Together, let us make 2026–2027 a year of: Growth with purpose, Learning with joy, Celebrating every milestone. Your trust means the world to us. Please feel free to reach out anytime — your partnership strengthens our journey in shaping young minds.

Wishing you and your family a wonderful and successful start to the new academic year!

Warm Wishes ,

Ms. Vanaja
