Dear Parents,

Greetings from **Akshara Vaagdevi International School!**

Akshara Vaagdevi International School has always focused on providing quality education. The National Education Policy 2020 lays particular emphasis on the development of the creative potential of each individual. It is based on the principle that education must develop not only cognitive capacities - both the 'foundational capacities' of literacy and numeracy and 'higher-order' cognitive capacities, such as critical thinking and problem-solving – but also social, ethical, and emotional capacities and dispositions.

Keeping this in mind, AVIS encourages students to participate in different Olympiads and extra curricular activities so that they gain additional knowledge and early exposure to competition and learning which will help them to learn things in a confident manner.

We are pleased to announce the commencement of the academic year 2026 - 27. We invite all the students from Grades I to X to participate in this prestigious CBSE HINDI Olympiad that aims to foster curiosity and innovation among students.
