PROCESS"**

Aristotle

**"Behind every excellent
outcome is a process of
persistence, patience, and
practice."**

Serena Williams

**"Excellence grows where effort is
repeated with purpose."**

- A. P. J. Abdul Kalam

DEAR STUDENTS, STAFF AND PARENTS,

Excellence is not something that occurs by chance; it is the result of consistent effort, dedication, and a clear process. Every great achievement begins with a goal and is shaped through discipline, hard work, and a willingness to improve. Students who strive for excellence understand that success is built step by step—through learning from mistakes, practicing regularly, and staying committed to their dreams. In our school, we believe that excellence is a journey, not a destination. It is reflected in the small actions we take every day—being attentive in class, completing assignments on time, helping others, and maintaining a positive attitude.

Teachers guide and inspire, but it is the students' perseverance that turns potential into achievement.

WARM REGARDS,

**MS.VANAJA
PRINCIPAL**

“Ugadi and Ramzan celebrations”

On 18th March Ugadi and Ramzan celebrations were conducted in Akshara Vaagdevi International School for Grade III to X. Our school proudly celebrated the rich cultural diversity of India by observing festivals like Ugadi and Ramzan with great enthusiasm and unity.

Ugadi, the Telugu New Year, marks a fresh beginning filled with hope and positivity. Students learned about the significance of this festival, including the preparation of Ugadi Pachadi, which symbolizes the different flavors of life. The school campus was decorated beautifully, and students participated in cultural programs, speeches, and traditional dress activities.

Ramzan, the holy month of fasting and prayer, teaches us the importance of self-discipline, compassion, and generosity. Students were introduced to the values of kindness and sharing, especially through the spirit of charity (Zakat). Special assemblies highlighted the importance of unity and respect among all communities. The celebrations of Ugadi and Ramzan in our school helped students understand and appreciate different cultures and traditions. Such events strengthen the bond of harmony and promote the spirit of unity in diversity among all students.

“Spinach Day Celebrated with Enthusiasm at Balvatika”

Balvatika students celebrated Spinach Day on March'24th with excitement and active participation. A few students dressed up as spinach, adding a creative and joyful touch to the celebration. The children were involved in interactive activities designed to create awareness about the importance of green leafy vegetables in maintaining good health. Through these activities, students learned about healthy eating habits in a fun and engaging manner. The celebration successfully encouraged young learners to appreciate nutritious food while making learning meaningful and enjoyable.

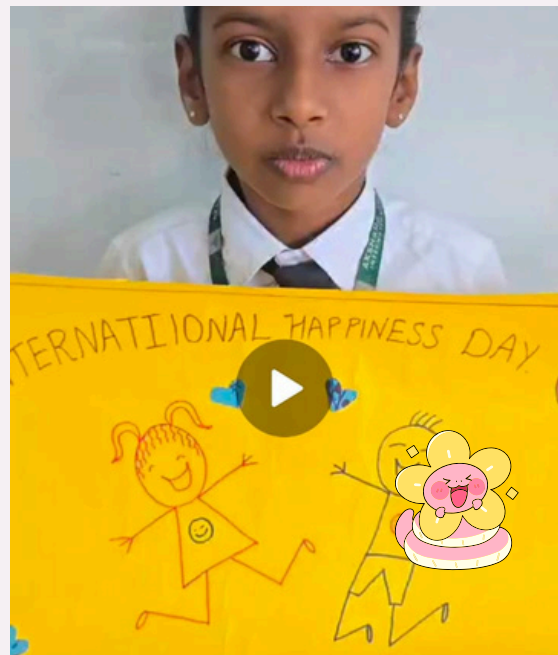

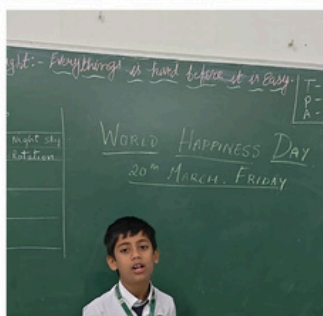

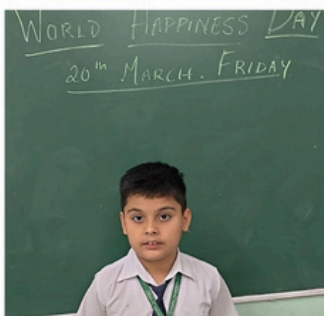

“EXCELLENCE HAPPENS NOT BY ACCIDENT IT IS A PROCESS”

“International Day of Happiness Celebration”

On 20th March, our school celebrated the International Day of Happiness with great joy and enthusiasm. The event aimed to spread positivity and remind everyone about the importance of happiness in our daily lives. On this occasion, our school counsellor, Mr. Srikanth, delivered an inspiring speech. He emphasized the importance of being grateful for the small things in life, practicing gratitude, and always being thankful. His words encouraged students to develop a positive mindset and appreciate the simple joys around them.

Students from Grades I to IV actively participated in the celebration. They shared their thoughts about happiness and expressed their creativity through beautiful drawings. Their artwork reflected joy, kindness, and the importance of spreading smiles. The celebration was a wonderful reminder that happiness comes from within and grows when we share it with others.

“EXCELLENCE HAPPENS NOT BY ACCIDENT IT IS A PROCESS”

“International Poetry Day”

World Poetry Day is celebrated every year on 21st March. It was established by UNESCO to promote the reading, writing, and appreciation of poetry across the world. This special day recognizes poetry as a powerful form of expression that helps people share emotions, ideas, and cultural values. Poetry Day is celebrated to encourage creativity and to preserve the beauty of languages. It inspires students to express their thoughts and feelings in a creative and meaningful way. Poetry also helps improve language skills, imagination, and confidence among students.

Students from Grade III to X participated in poetry recitation, and poster making activities. Some students presented their own poems, while others recited famous works by well-known poets. Teachers also had interactive sessions to help students understand the rhythm and beauty of poetry. Such celebrations help students develop a love for literature and boost their creativity.

“EXCELLENCE HAPPENS NOT BY ACCIDENT IT IS A PROCESS”

“World Water Day”

In 1992, the United Nations General assembly adopted 22nd March as World Water Day. Since 1993 every year 22nd March has been celebrated as World Water Day.

On the occasion of World Water Day, during assembly our school conducted a meaningful program to create awareness about the importance of water conservation. The event highlighted the need to protect this precious natural resource for future generations. Ms. Rajitha, Head of the Science Department, addressed the students and emphasized that water is extremely valuable and that every drop counts. She encouraged students to adopt simple habits to save water in their daily lives and explained practical ways to conserve it effectively. Addressing the gathering, our Principal inspired students by explaining the significance of water in sustaining life on Earth. The Principal urged everyone to be responsible and mindful in using water, reminding students that saving water today will secure a better tomorrow. The program was informative and inspiring, motivating students to take small yet important steps towards water conservation.

The main aim of celebrating this day was to create public awareness about the importance of water and how it is necessary to preserve fresh water for a sustainable future.

“Interhouse Dance Competition”

On 25 March an interAn Inter-House Dance Competition was conducted in our school for students of Grades 3 to 10 with great enthusiasm and energy. The event provided a wonderful platform for students to showcase their talent, creativity, and passion for dance. Participants from all houses performed a variety of dance forms, ranging from classical to contemporary and folk styles. The performances were vibrant, well-coordinated, and reflected the hard work and dedication of the students. Colorful costumes, expressive movements, and lively music added to the excitement of the event.

The judges appreciated the efforts of all participants and evaluated the performances based on coordination, creativity, expressions, and overall presentation. The competition not only encouraged teamwork and confidence but also helped students explore their artistic abilities.

The event was a grand success and left everyone mesmerized, making it a memorable experience for both participants and the audience.

“Menstrual Hygiene and Management Awareness Program (As per CBSE Circular 12)”

A Menstrual Hygiene and Management Awareness Program was conducted at Akshara Vaagdevi International School in accordance with CBSE Circular 12. The program aimed to educate students about the importance of menstrual health and promote awareness among adolescents. Ms. Vanaja, Principal, is an experienced educational leader committed to student well-being, holistic development, and health awareness initiatives. She actively promotes life skills education and adolescent health programs aligned with CBSE guidelines. In her address, she emphasized the importance of maintaining proper menstrual hygiene and encouraged students to adopt healthy practices with confidence and dignity. Students from Grades VI, VII, VIII, and IX participated in the program with great interest. The session helped students understand the importance of menstrual hygiene for overall health and well-being. It also focused on breaking myths and taboos associated with menstruation, creating a safe and open environment for discussion. Students learned about proper hygienic practices and safe disposal methods. The program promoted confidence, emotional well-being, and encouraged open conversations, helping to reduce stigma. Overall, the session empowered students with the knowledge and awareness needed to make informed and healthy choices in line with CBSE guidelines.
