Dear Parents,
Greetings!

Subject: Term-1 - PT-2 / Half Yearly: Re-Examination Time Table.

"A Re-examination is not a punishment, but an opportunity to demonstrate readiness, bridge learning gaps, and move forward with responsibility. Every student deserves support, but every student must also demonstrate the required learning standards."

As informed, will be conducting re-examinations for the following categories of students:

1. **Students with pending fee dues (Pl collects Hall Tickets from Accounts)**
2. **Students with genuine health concerns who could not perform to their potential.**
3. **Students of Grades VIII to X who require additional academic support in foundational concepts.**

The objective of the re-examination is to provide students with an opportunity to demonstrate their learning, bridge academic gaps, and meet the expected learning standards.

Parents are requested to ensure that their wards prepare sincerely and utilise this opportunity responsibly. The school will communicate the schedule and other necessary instructions.

"A second chance is an opportunity to improve, not a reason to postpone preparation."
